FAEGRE & BENSON SPONSORS BOULDER INNOVATION CENTER

BOULDER, Colo. – August 9, 2011 – The Boulder Innovation Center (BIC) today announced that law firm Faegre & Benson LLP is continuing as a sponsor with a \$5,000 donation. Faegre & Benson's sponsorship will allow the BIC to maintain and grow its innovative entrepreneurial programs that foster sustainable economic development.

"We're pleased that Faegre & Benson has decided to continue its support of the Boulder Innovation Center," said Tim Bour, Executive Director, Boulder Innovation Center. "The law partners at Faegre & Benson have deep roots in Boulder's entrepreneurial communities, and we look forward to working with them more closely, especially when dealing with complex legal matters that affect emerging companies and our broader business community."

The Boulder Innovation Center is one of America's premier entrepreneurial support organizations. With its highly specialized team of mentors and advisors, it defines a new model for business incubation across key industry sectors holding the most promise for the community, global economies and the environment.

"The Boulder Innovation Center has proven its value by helping companies and create hundreds of new jobs," said Rex O'Neal, a partner in Faegre & Benson's Boulder office. "Faegre & Benson has been a long-time champion of Boulder's start-up community, and we're proud to expand that support to include the Boulder Innovation Center."

About Faegre & Benson LLP

Faegre & Benson is an international law firm with offices in Denver and Boulder. The firm provides legal counsel to many of Boulder's leading companies, ranging from emerging start-ups to established corporations. Faegre & Benson's services span a number of industries—including advanced technologies related to the Internet, software and hardware, telecommunications, and renewable energy. In addition, it represents a variety of clients focused on the outdoor industry, manufacturing, health care and sustainability. For more information, visit www.faegre.com.
