

Conference Sessions

With more than 70 sessions to choose from, including lectures, panels and roundtable discussions, NBIA's 2006 conference will offer something for everyone.

University Technology Transfer and Business Incubation

Successfully incubating companies that evolve from university technologies involves building relationships and maximizing existing resources. This session will describe strategies for working effectively with university technology transfer offices, using students to develop nascent technologies, creating partnerships with the business community, and more.

David Allen, Associate Vice President for Technology Transfer, University of Colorado, Boulder, Colo.

Doug Collier, President, Boulder Innovation Center, Boulder, Colo.
